(w\_) **Progressive class series** that restart at the beginning of every month. Students should start with Week 1 of the series, and take classes consecutively.  
Underlined and bolded classes indicate where new students can join an in-studio Level 1 series for the month (typically by the 14th of the month).  
 (np) **Non-progressive class series.** Classes can be started at any point in the series (with completion of prerequisites, if any, when attending in-studio)  
 \* **Upper-level class and/or a class with a prerequisite.** Students typically need to repeat each level of a series for 3 - 4 months before advancing to the next level.  
 (3 - 4 months of Level 1 before advancing to Level 2, etc.) Promotion by the instructor into Level 2+ classes is required for in-studio attendance.  
 \*\* **Regular weekly events** that CAN be redeemed with Membership credits; NOT redeemable with any other group class payment option.  
 \*\*\* **Special workshops, master classes, or events** that CANNOT be redeemed with a regular group class credit (Membership, Flex Package, etc.) of any kind. Please check with the studio for details & pricing.
