(w#) **Progressive class series** that restart at the beginning of every month. Students should start with Week 1 of the series, and take classes consecutively. Underlined and bolded classes indicate where new students can join a Level 1 series for the month (typically by the 14th of the month).

(np) **Non-progressive class series.** Classes can be started at any point in the series (with completion of prerequisites, if any apply).

* **Upper-level class and/or a class with a prerequisite.** Students typically need to attend each level of a series for 3 - 4 months before advancing to the next level (ex. 3 - 4 months of Level 1 before advancing to Level 2, etc.). Promotion by the instructor into Level 2 and higher classes is required.

** **Regular weekly events** that CAN be redeemed with Membership credits; NOT redeemable with any other group class payment option.

*** **Specialty workshops, master classes, or specail events** that CANNOT be redeemed with a regular group class credit (Membership, Flex Package, etc.) of any kind. Please check with the studio for details & pricing.
